FOUNDATION

Invest in Ardenne's Energy Independence!

ARDENNE ALUMNI FOUNDATION

IN 2012, THE NEWLY FORMED ARDENNE ALUMNI FOUNDATION LAUNCHED THE ARDENNE ENERGY SAVINGS PROJECT TO ADDRESS ONE OF THE MAJOR CHALLENGES FACING ARDENNE-A SPIRALING ELECTRICITY BILL THAT WAS A PERENNIAL DRAIN ON THE SCHOOL'S BUDGET.

AFTER FOUR YEARS OF IMPLEMENTING THE PROJECT, THE ARDENNE CAMPUS IS 30% SOLARIZED, JPS ELECTRICITY CONSUMPTION BILLS ARE DOWN BY 50% MONTH ON MONTH, AND THE SCHOOL BOASTS A STRONG CULTURE OF ENERGY CONSERVATION AND MANAGEMENT.

Ardenne's Energy Saving Achievements

100% LED Lighting Installation for entire school- **J\$4.84 million**

30 KW Solar PV System powering staff room block, Olson Hall, and Roy Ebanks' Block- **J\$9 million**

Solar Street Lighting at main gate- **J\$0.35 million**

Total investment: J\$14.15 million

WORKING IN CLOSE PARTNERSHIP WITH THE SCHOOL'S ADMINISTRATION AND THE PETROLEUM CORPORATION OF JAMAICA'S SCHOOLS' ENERGY SAVING PROJECT, ARDENNE ALUMS JENNINGS 'MAX' GORDON AND AUDREY CHIN, ARDENNE ALUMS AND DIRECTORS HAVE BEEN THE LEAD DIRECTORS ON THE BOARD OF THE FOUNDATION, DRIVING - ARDENNE'S CHARGE INTO A SUSTAINABLE RENEWABLE ENERGY FUTURE.

"WE ARE PROUD OF THE ONGOING SOLAR EFFICIENCY AND CONSERVATION PROGRAMME. ARDENNE IS SAVING 98,000 KWH ANNUALLY AND MILLIONS OF DOLLARS"

'Max' Gordon, Managing Director, Gormann Corporation

“Having accomplished Phase 1 of the Project, we are now moving to achieve ‘FULL HUNDRED SOLARIZATION’ for our alma mater!

100% Energy Independence for Ardenne by 2020!”

Audrey Chin, Business and Finance Consultant

We Need to Raise J\$25 Million for Phase 2 of the Project that will establish a sustainable Renewable Energy Project to serve present and future generations of Ardenne students and teachers.

Under Phase 2, we will:

- 1. Install an additional 60 KW PV system to meet the current and near future needs of the school.**
- 2. Replace old A/C units with energy-efficient inverter units.**
- 3. Install solar street lights all over the campus.**
- 4. Ensure a robust Maintenance and Monitoring Programme for the Solar PV systems.**
- 5. Rollout a campus wide Energy and Environment Education Programme for students and faculty.**

INVEST IN THE ARDENNE ENERGY INDEPENDENCE PROJECT

Make your Tax-deductible donations in cheque or money order to the Ardenne Alumni Foundation, an approved charitable organisation formed in 2012 under Sections 2 and 17 of the Charities Act, 2013.
